

Sticker packs

Getting your school sticker packs is as easy as 1, 2, 3!

STEP 1

Choose one of our pack options.

WhatsApp catalogue or via the .pdf document

Website: <https://www.whats.co.za/shop/>

We understand that everyone's needs are different, so we can customize packs by splitting or adding more labels.

STEP 2

Choose a theme.

Our team has templates available to make your selection easier.

Please note that if you'd like your own design, an artwork fee will apply.

WhatsApp catalogue, via the .pdf document or on our website

Website: <https://www.whats.co.za/shop/>

STEP 3

Send the following details to us:

- Sticker pack option
- Theme you have selected
- Name and surname to put on the stickers (*and contact number if you'd like it included*)

STEP 4

We will respond with a mock-up and quotation.

Once the artwork is approved and payment is completed, we'll have your school sticker packs ready within 2 to 5 working days.

We look forward to helping you create the perfect sticker pack!
